BASKETBALL

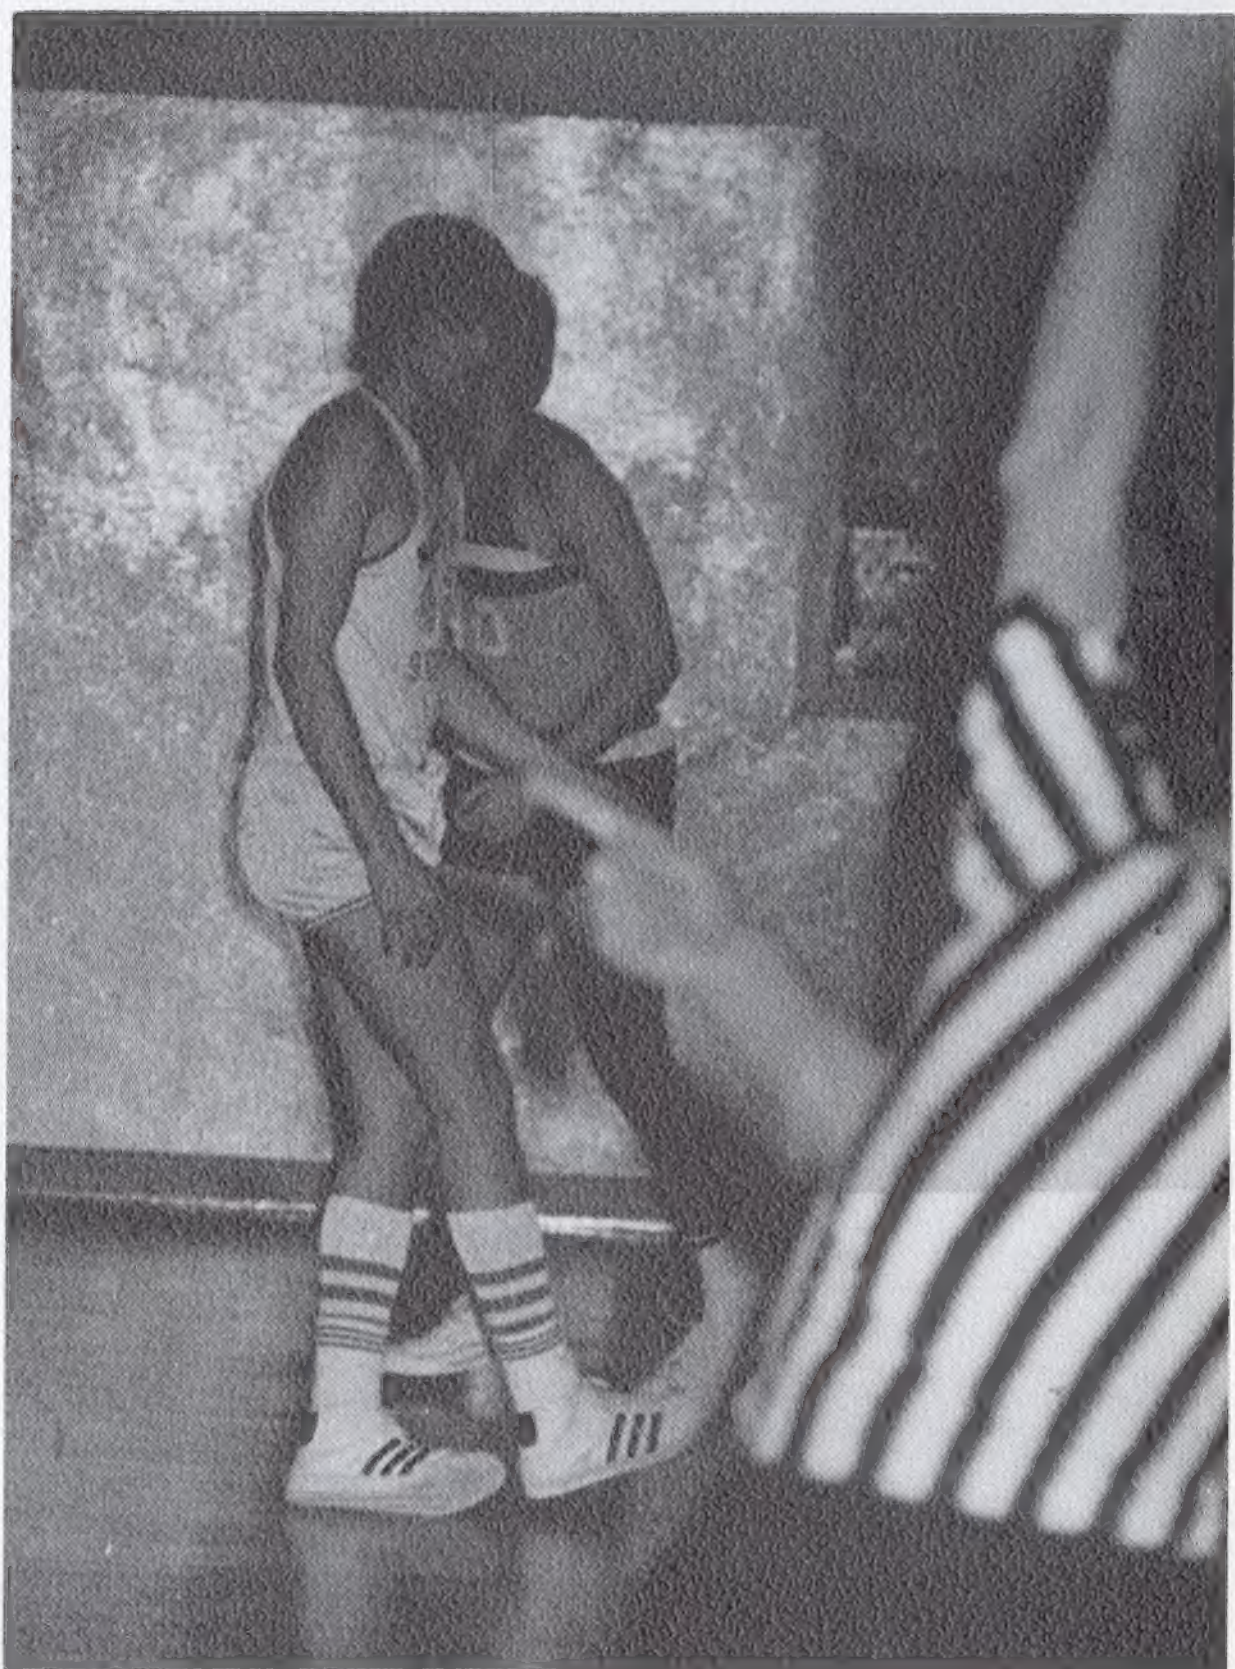

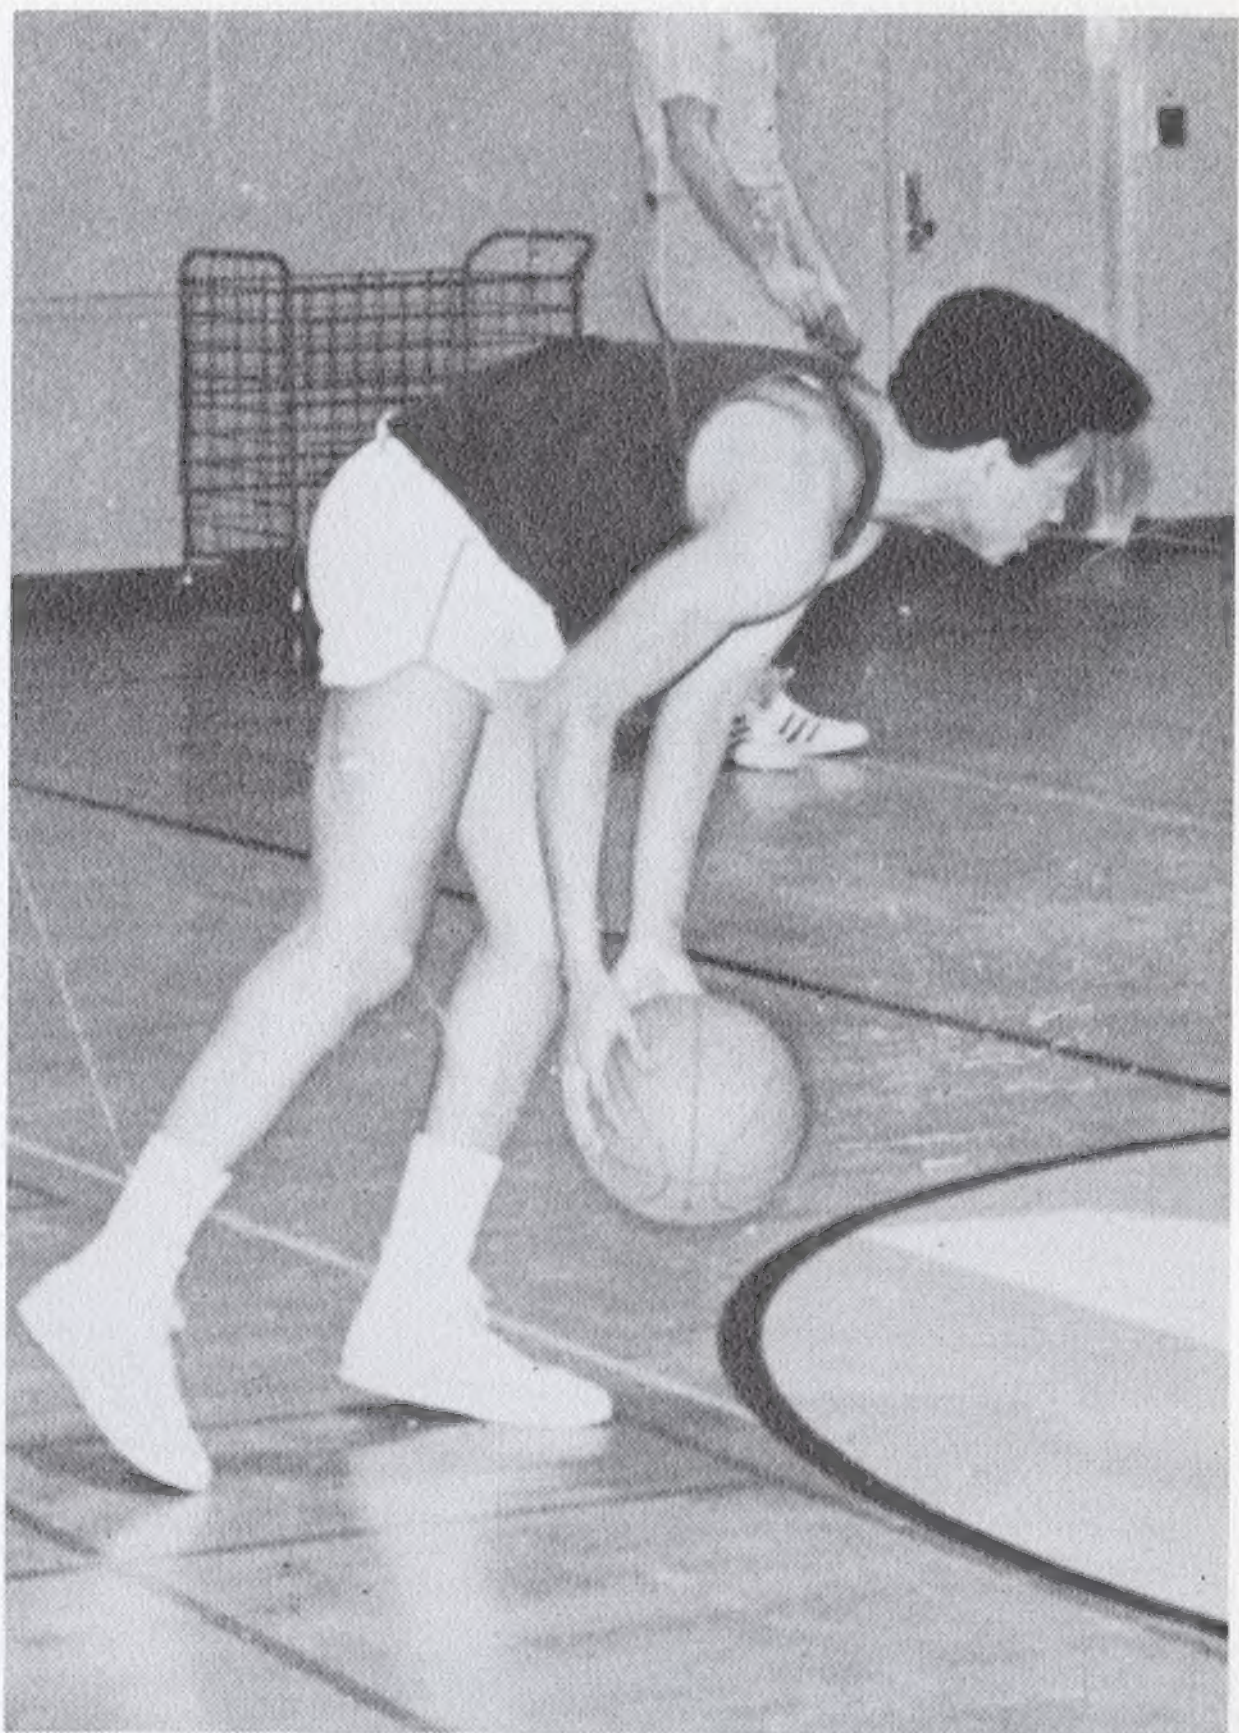

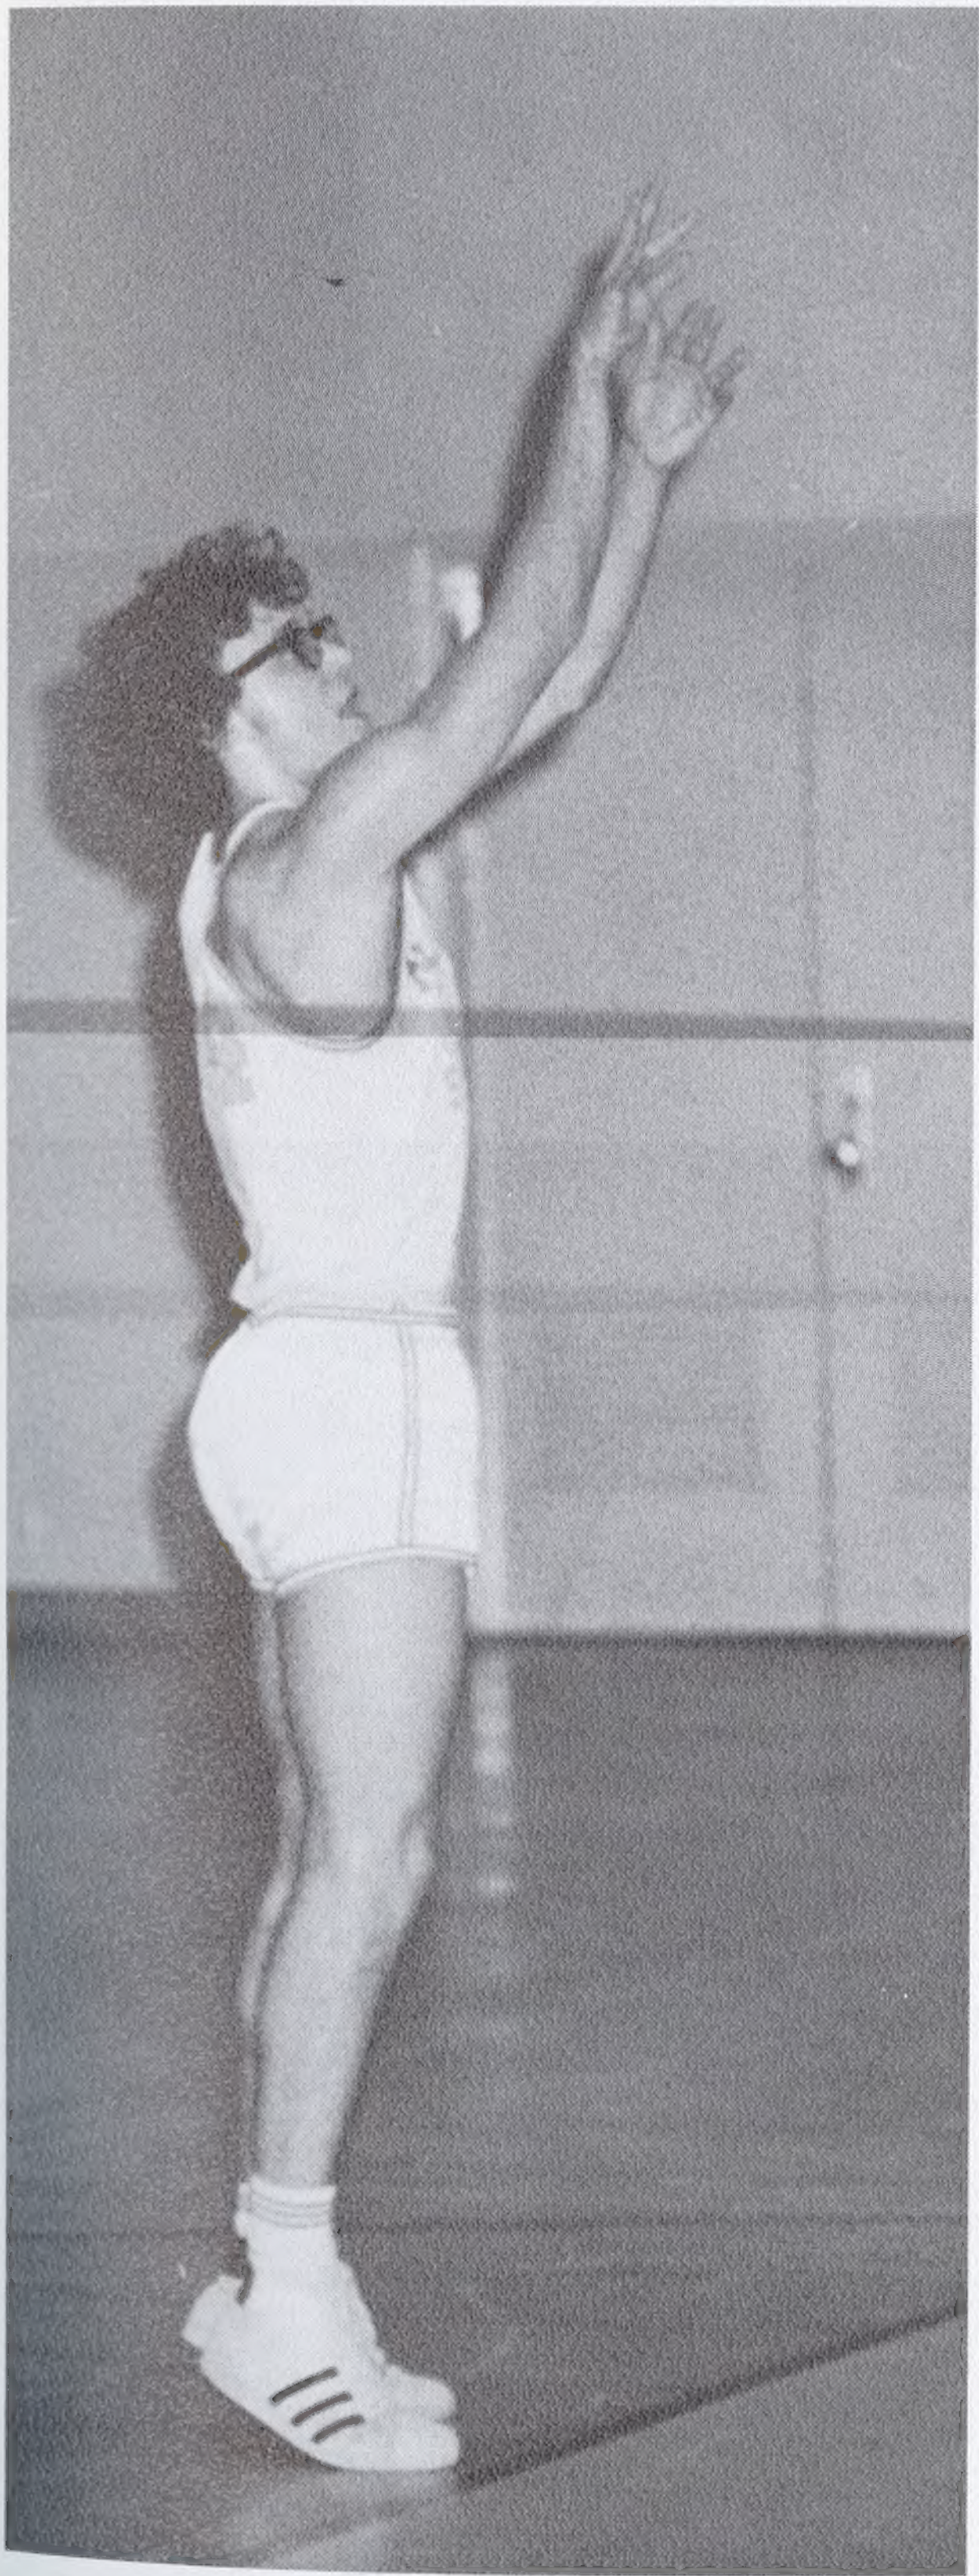

Stamina and hustle were the cornerstones laid by head coach Dave Dean in this building season at N.S.C. While the Squires only sported a 9-12 record, they made an impressive showing in winning their annual Christmas tournament. N.S.C. hoop fans can expect a bountiful harvest of victories this year when the incoming crop of players are coupled with last year's experience.

S.C.A.T.E.

Man's love for his fellow man best characterizes S.C.A.T.E. and its far-reaching social programs. A tutorial project, with diversified functions, S.C.A.T.E. has extended its hand to the underprivileged children of our community. In this time of deception and fraud, that has even touched the sacrosanct halls of this nation, it strengthens one's hope for mankind when programs of this design are in operation. We pay a special tribute to Charles Chuck Behm and his fellow co-workers for striving towards the crystallization of humanitarian ideals.

NEWARK STATE COLLEGE

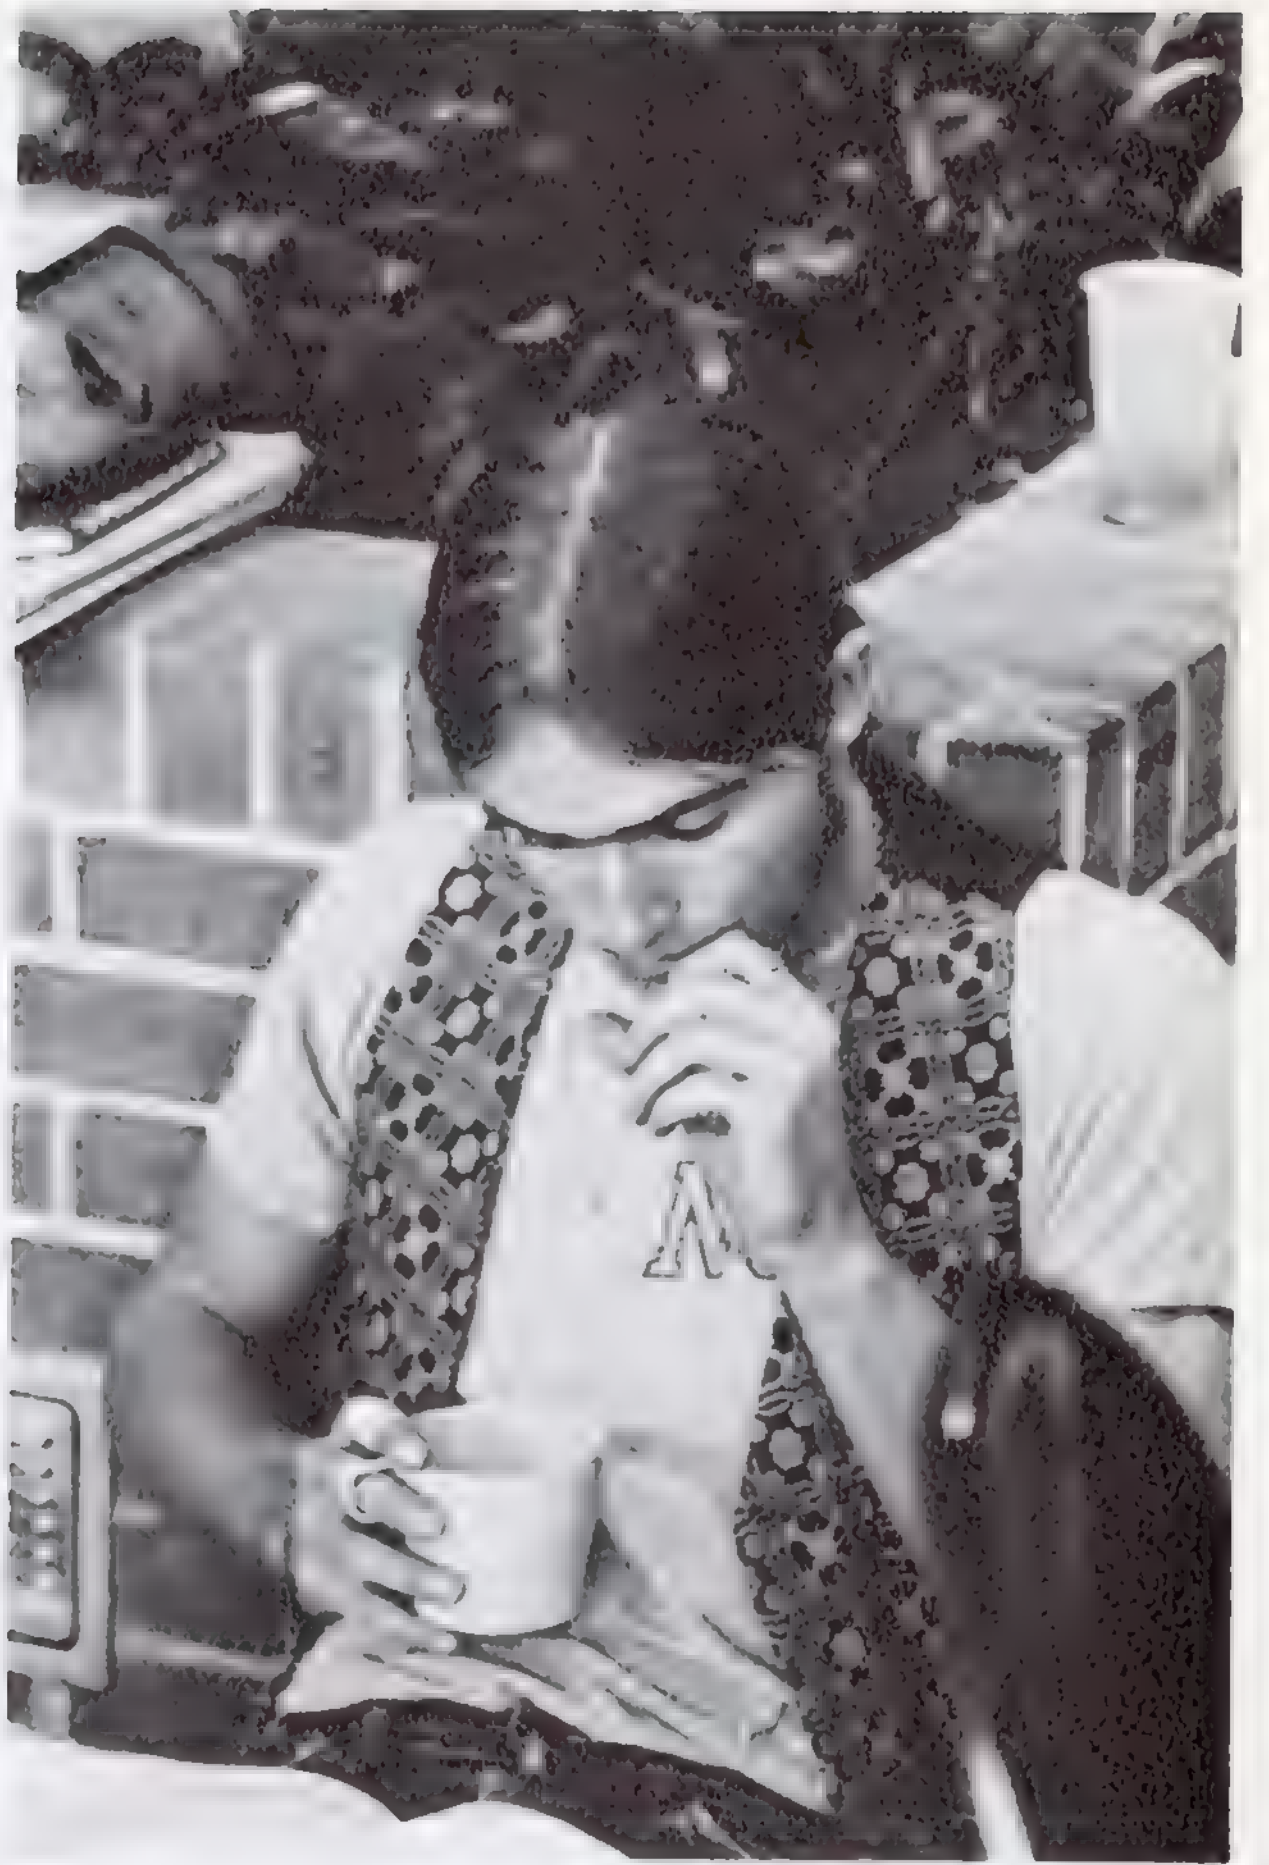

Though reaching up my loneliness evolves by the blindness that surrounds him.

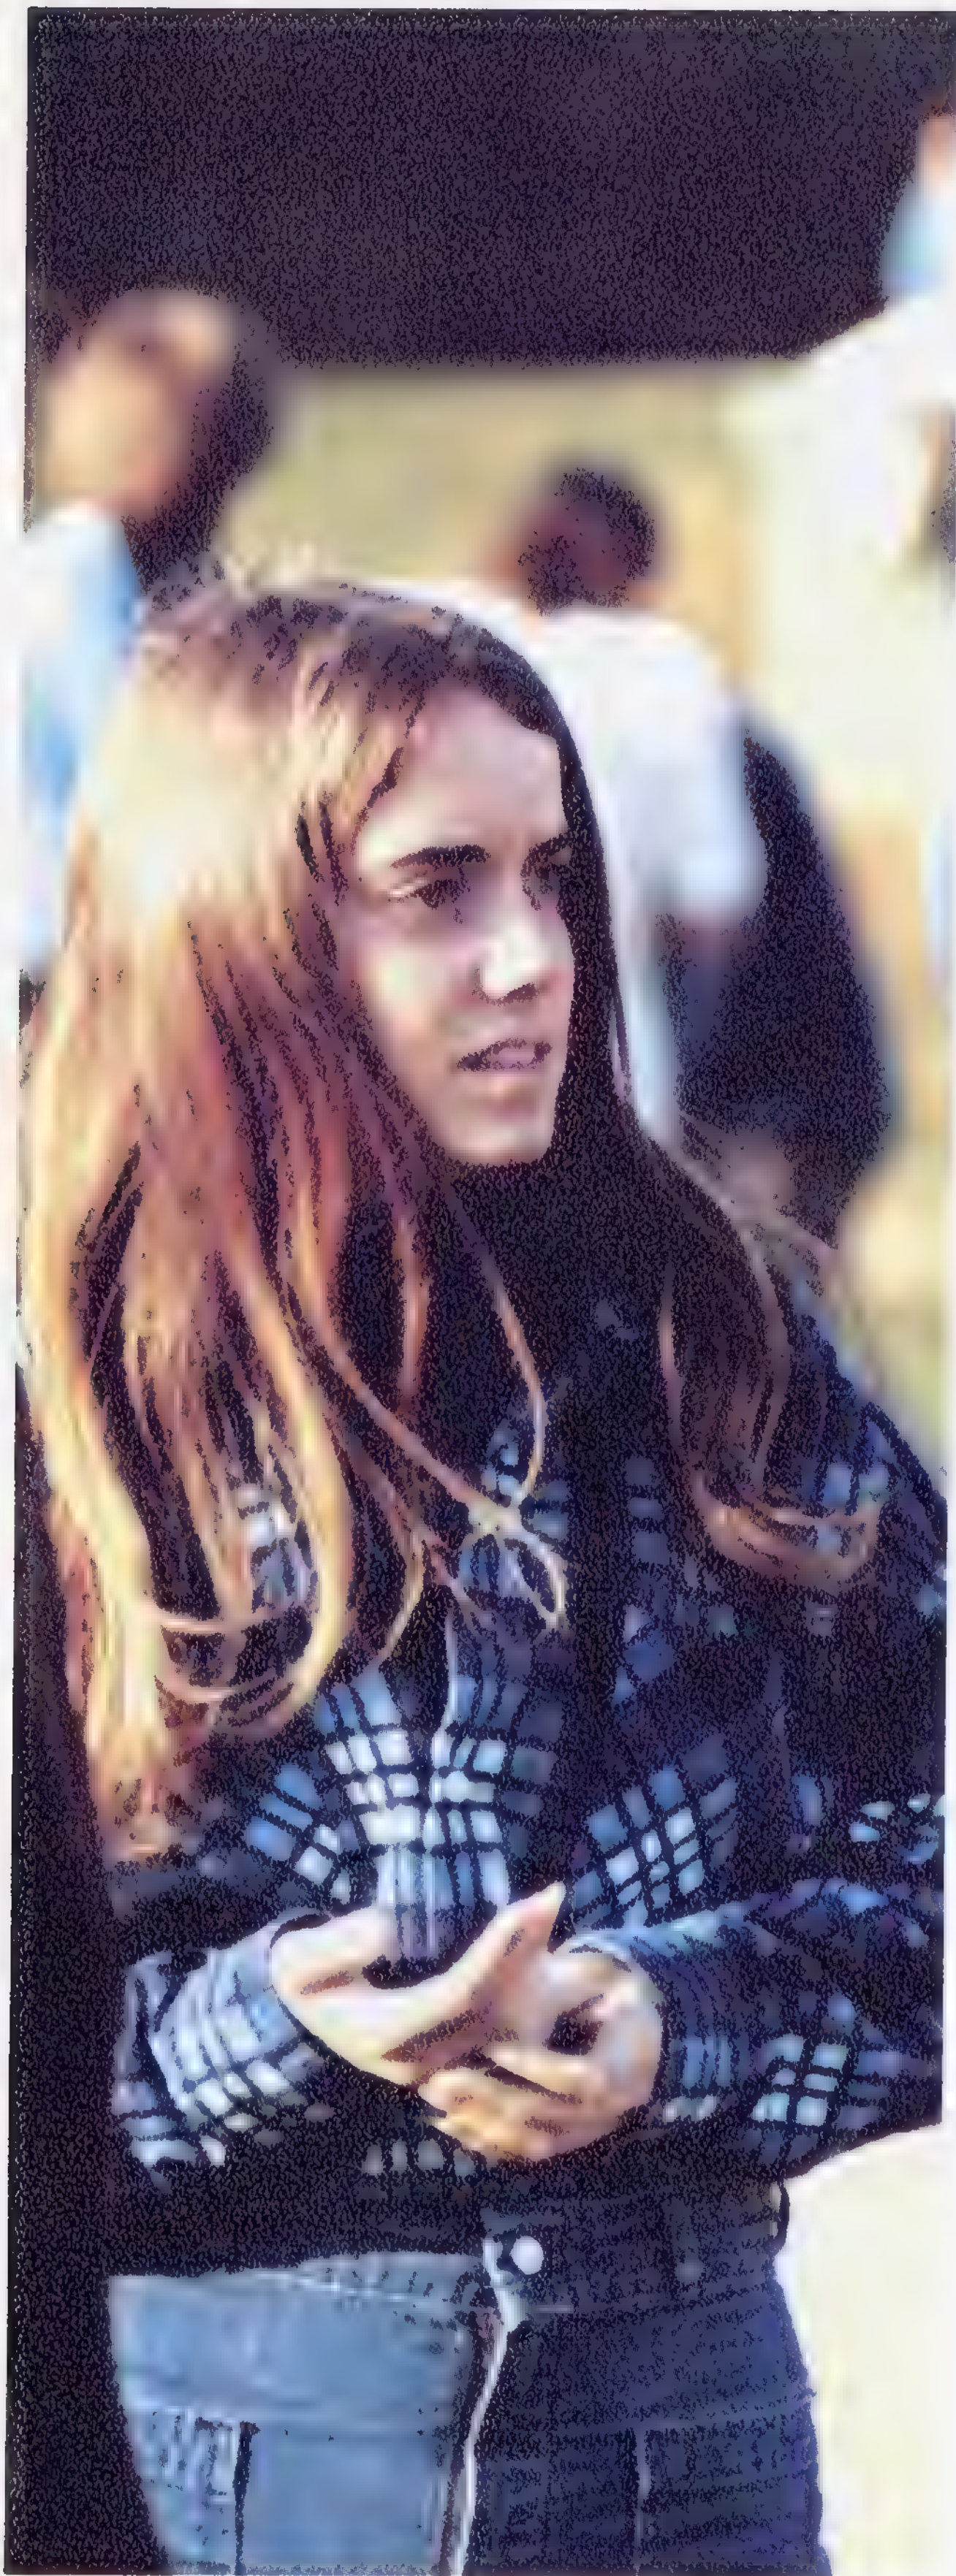

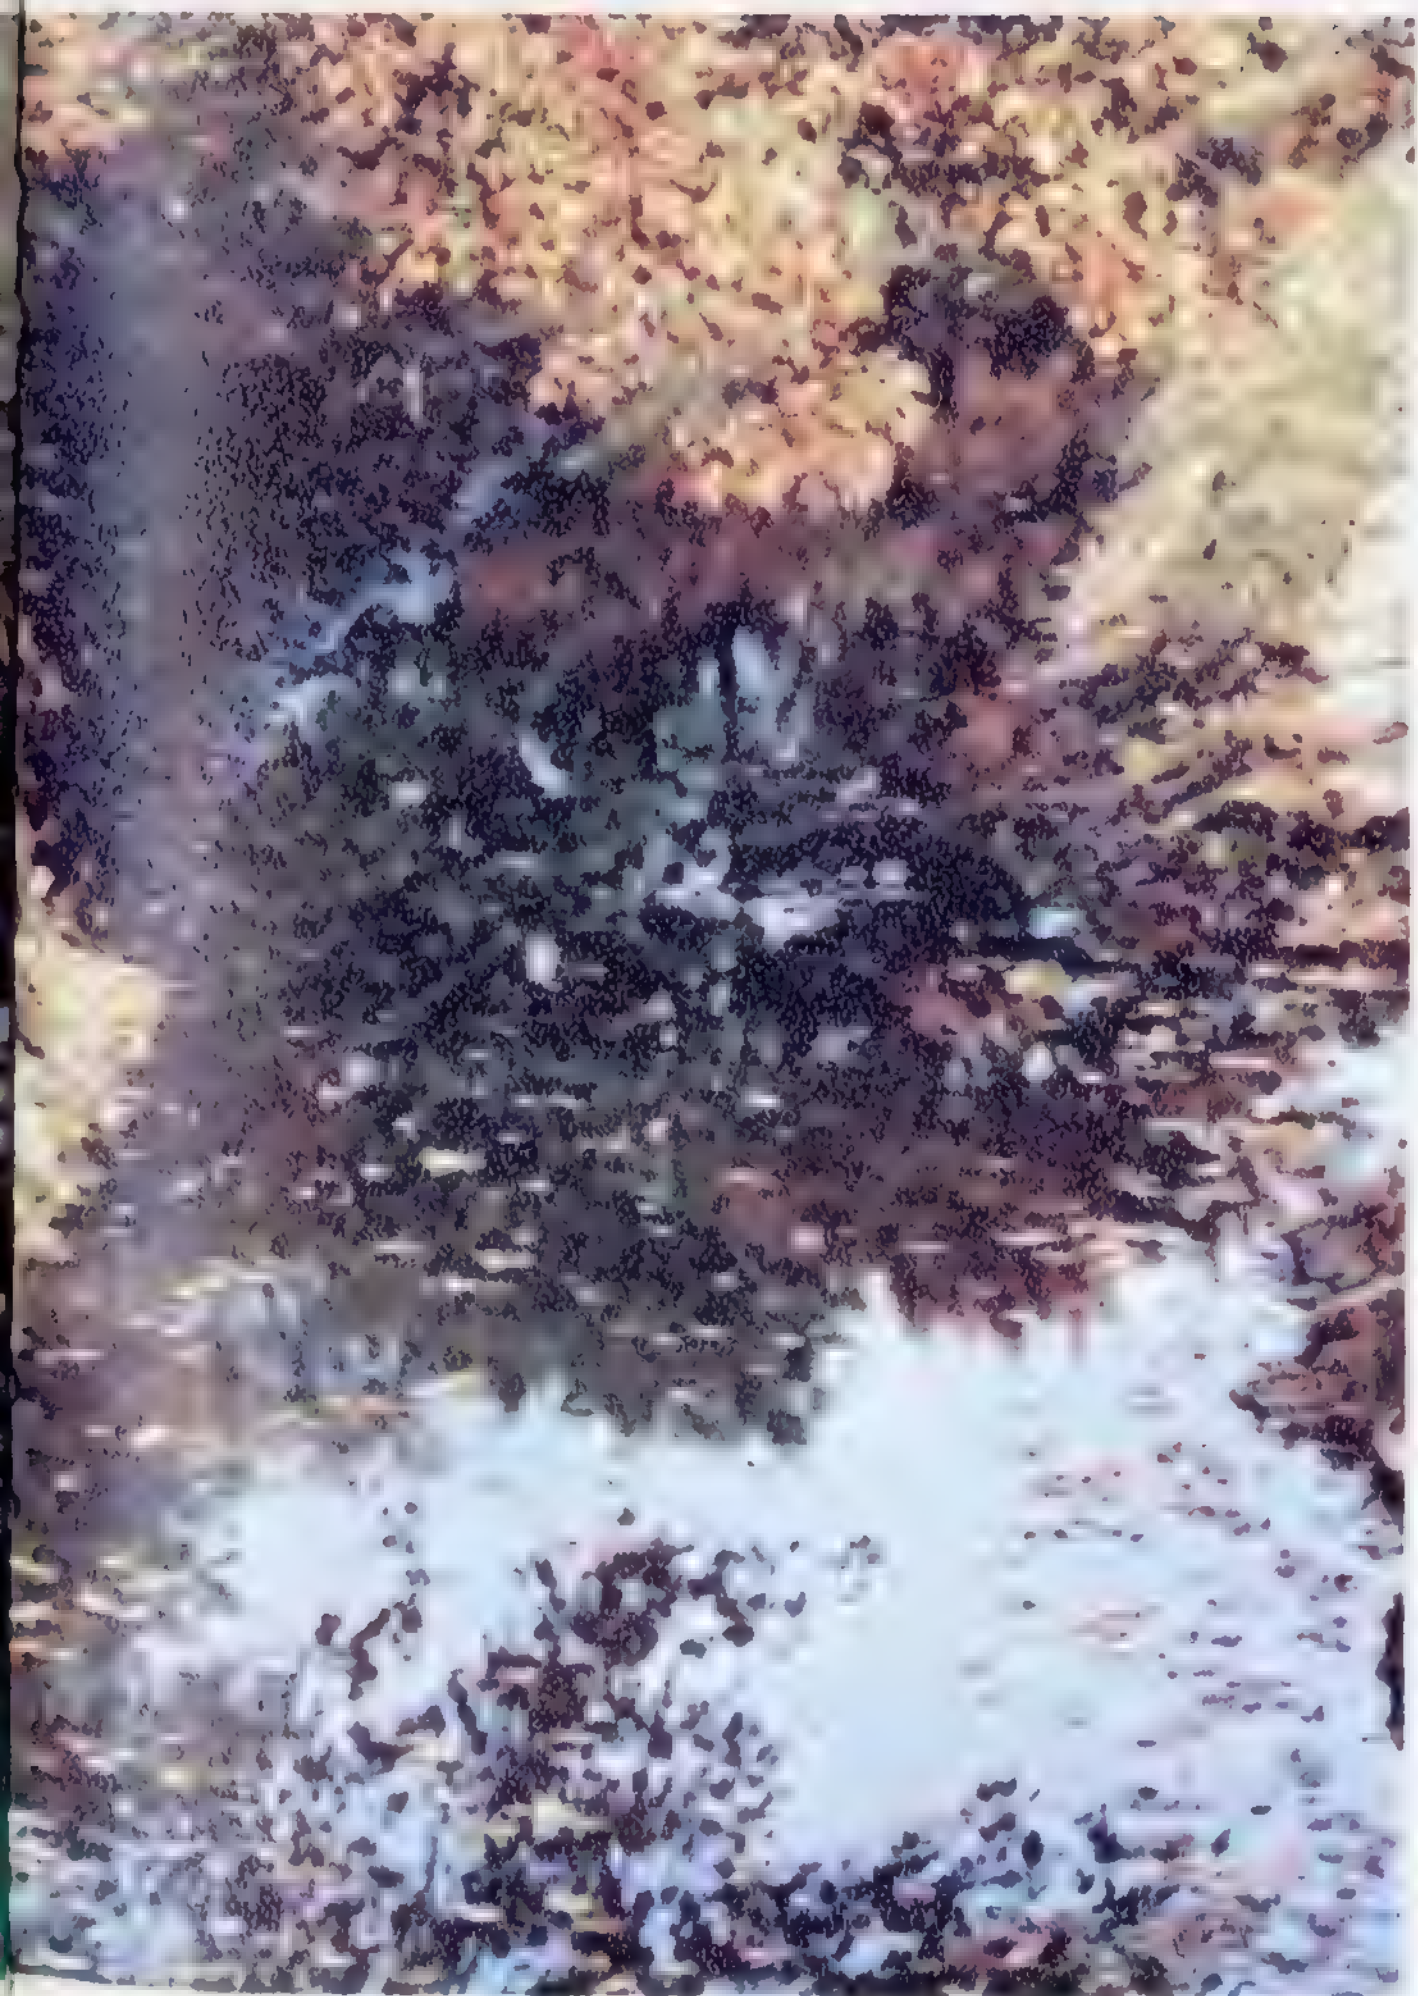

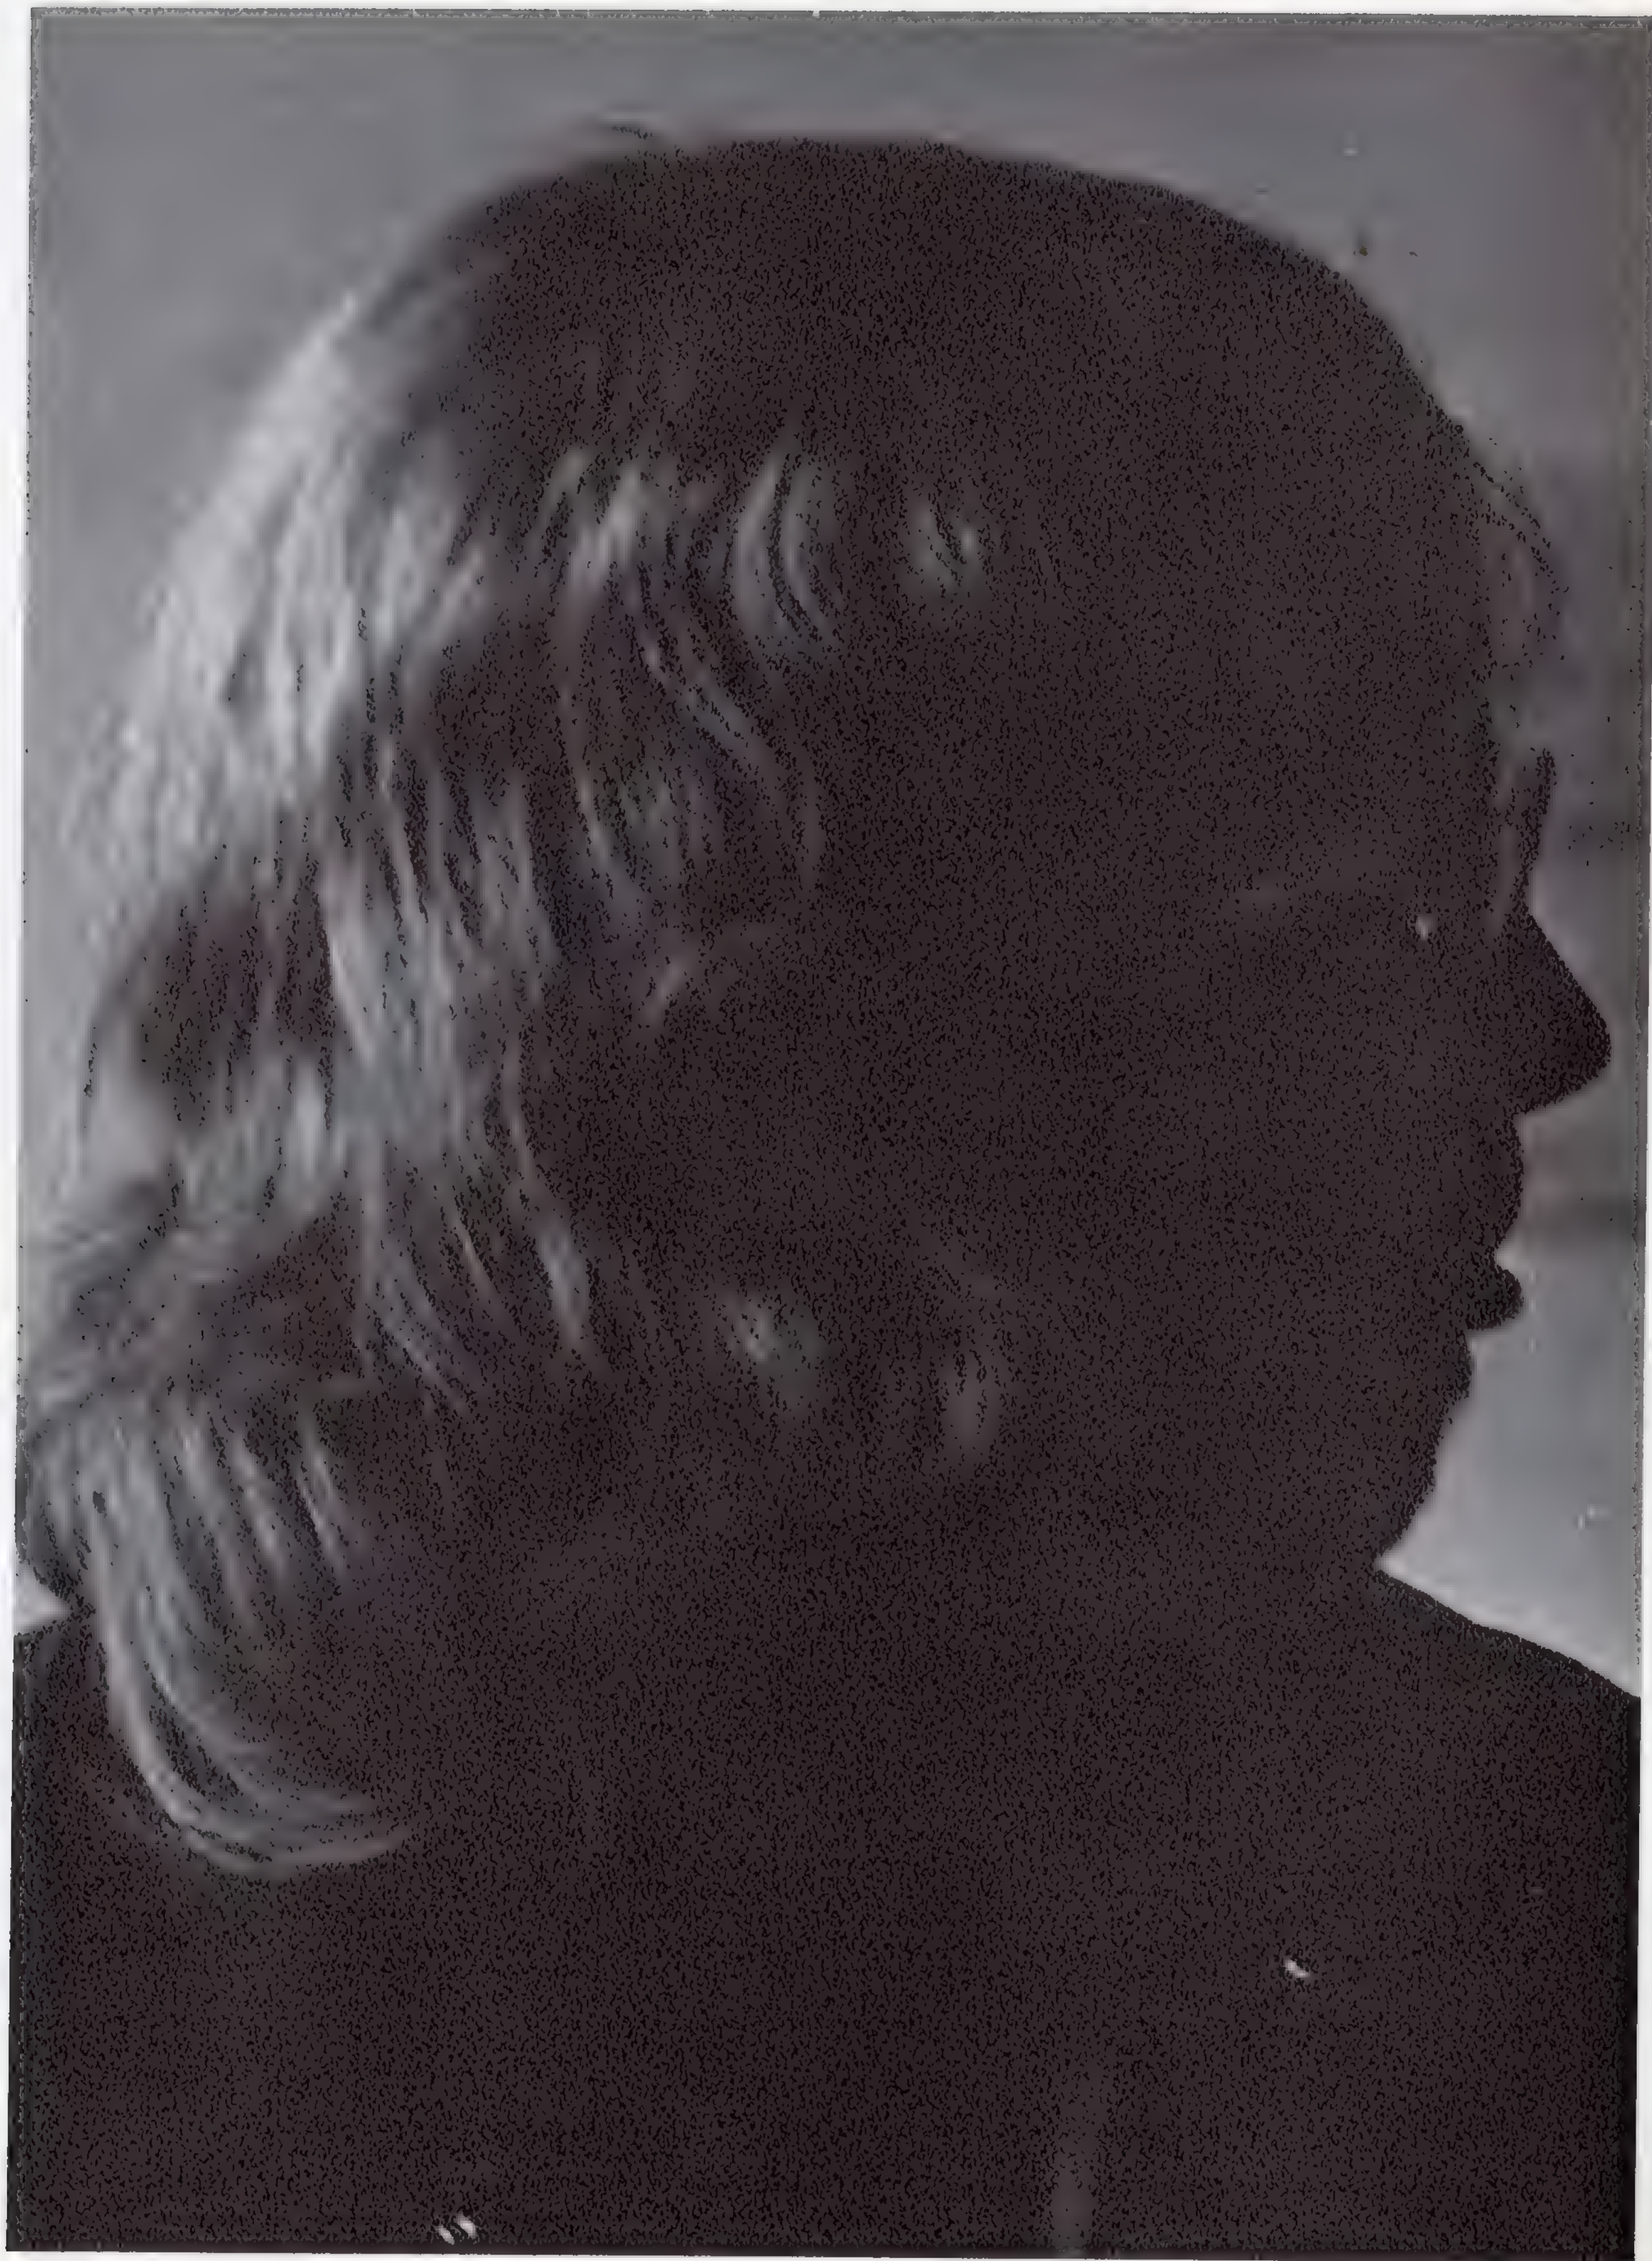

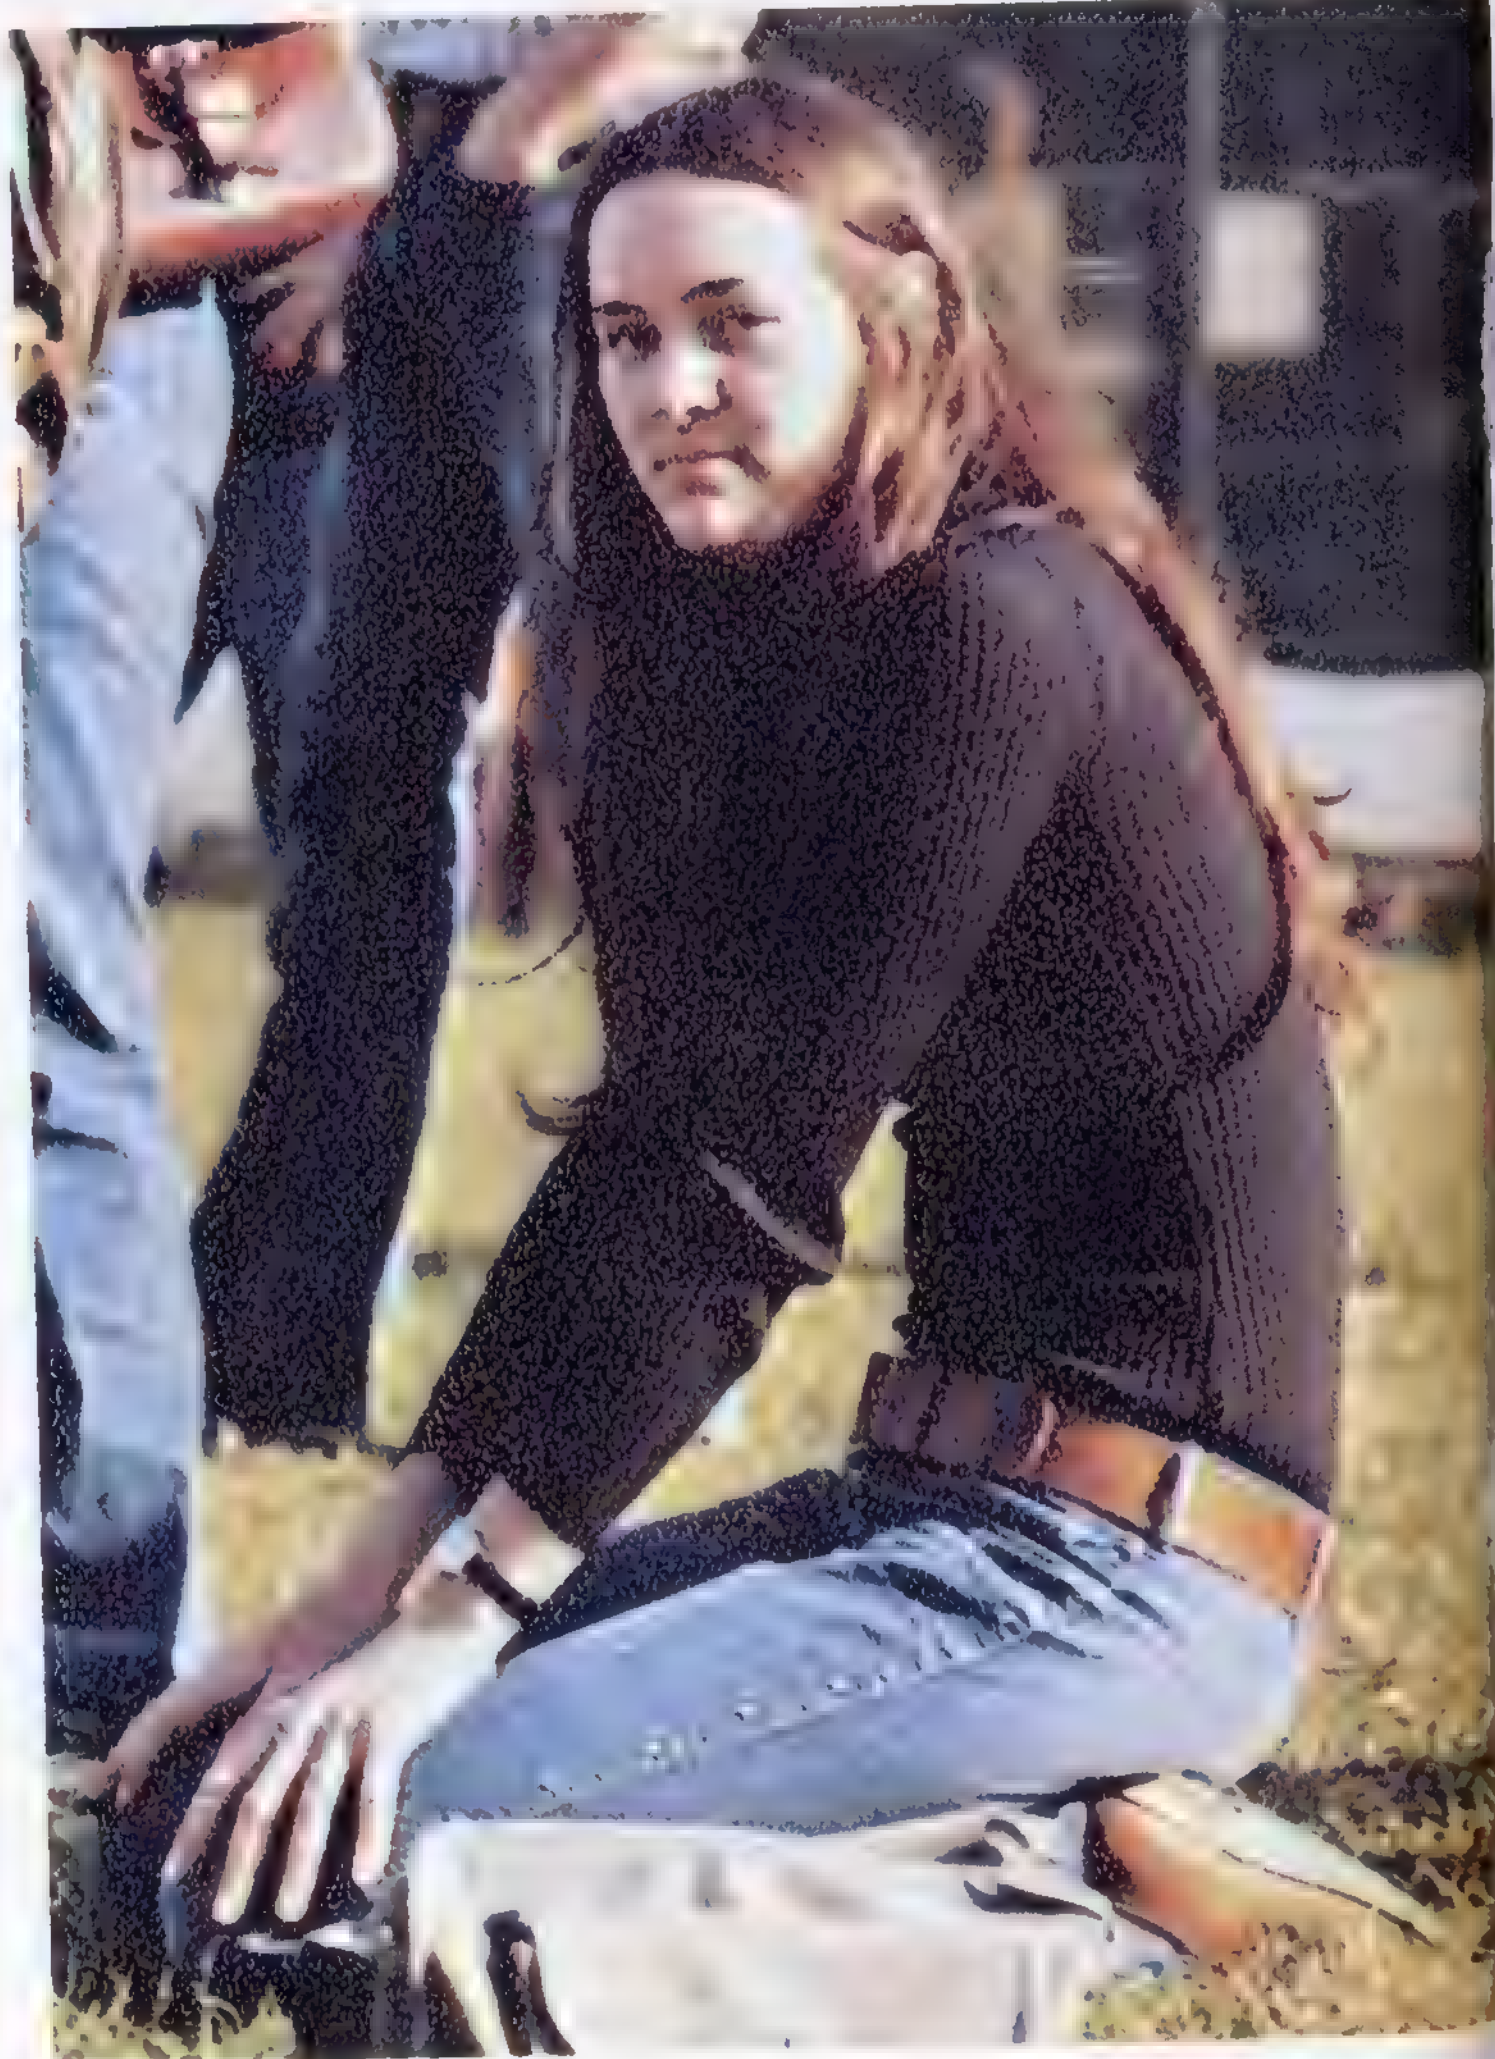

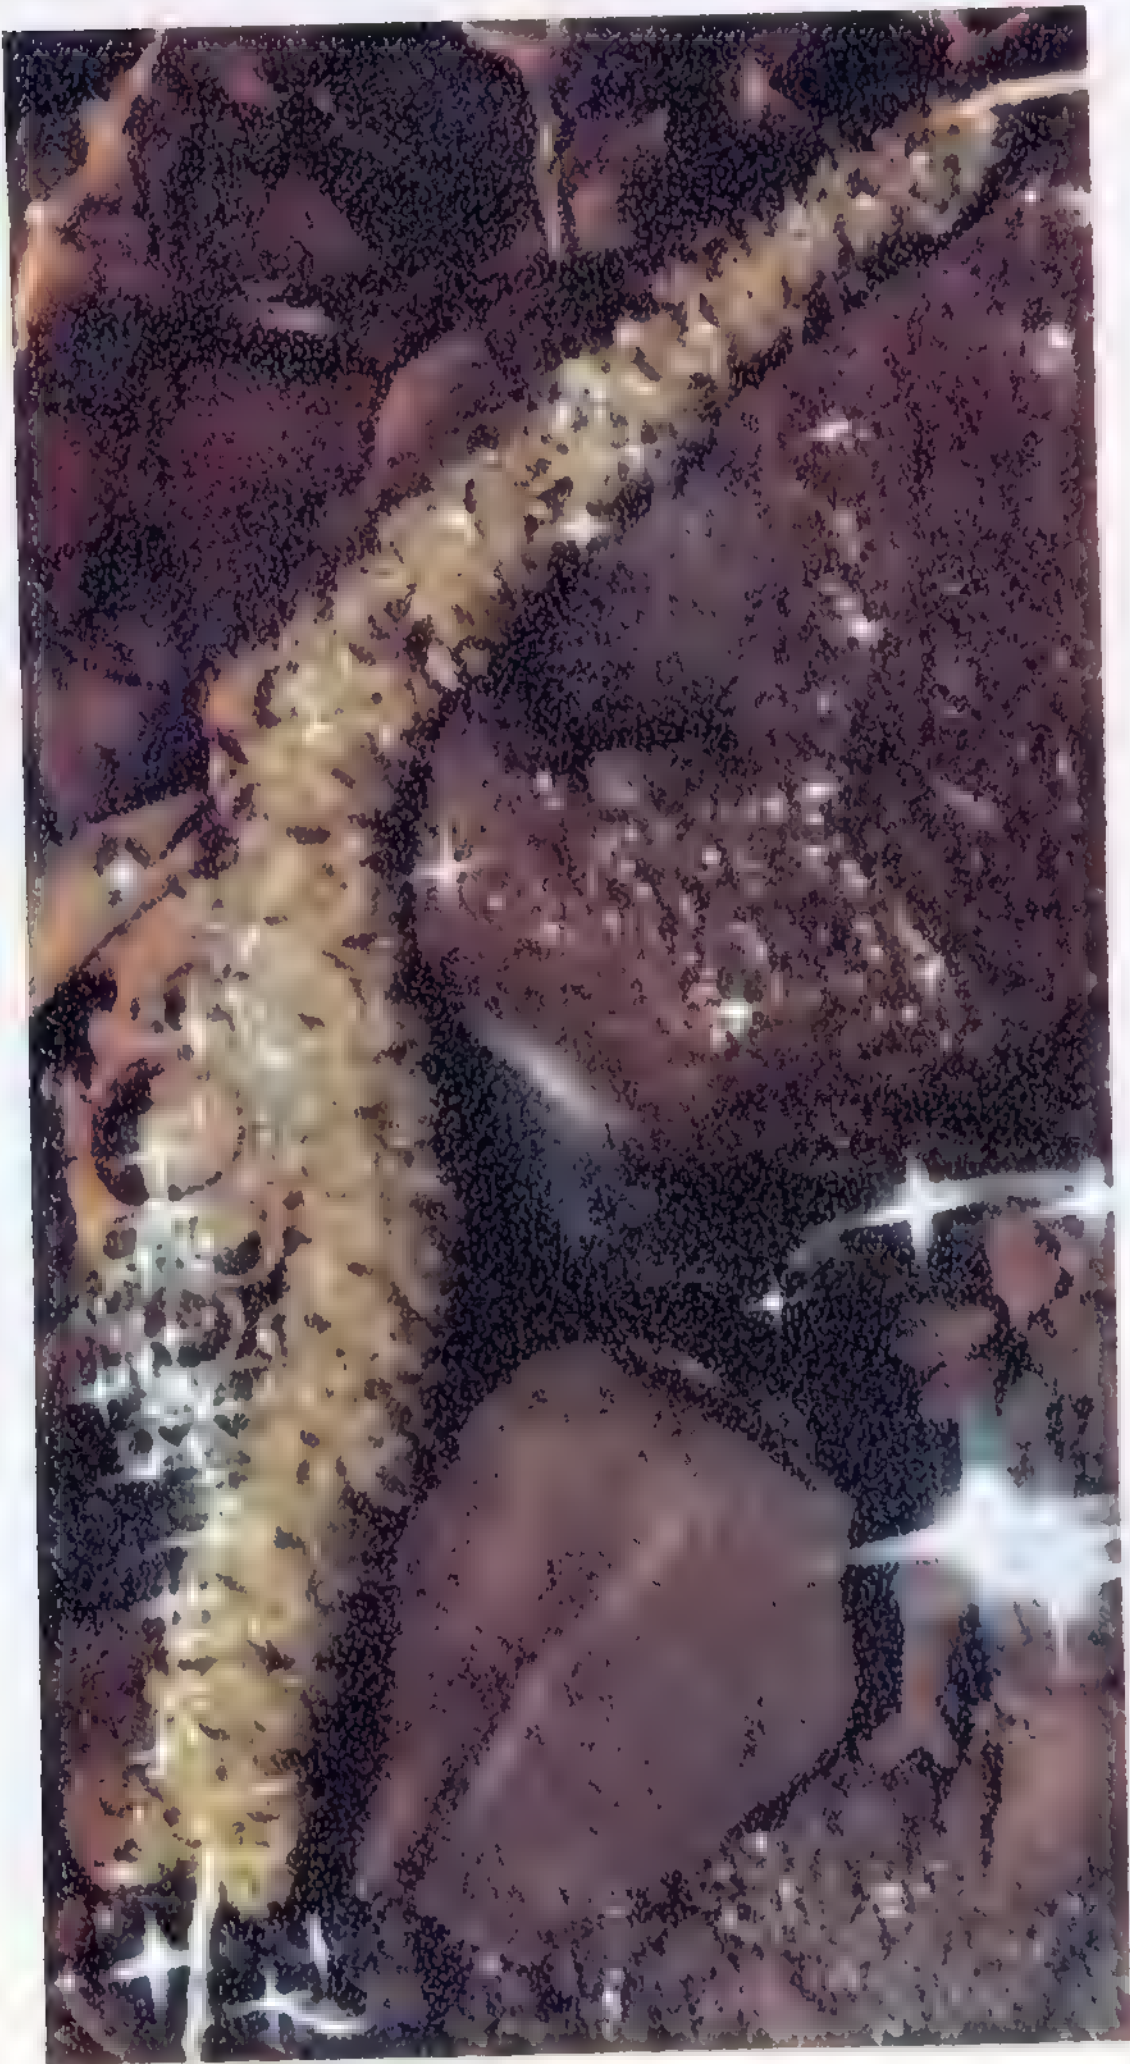

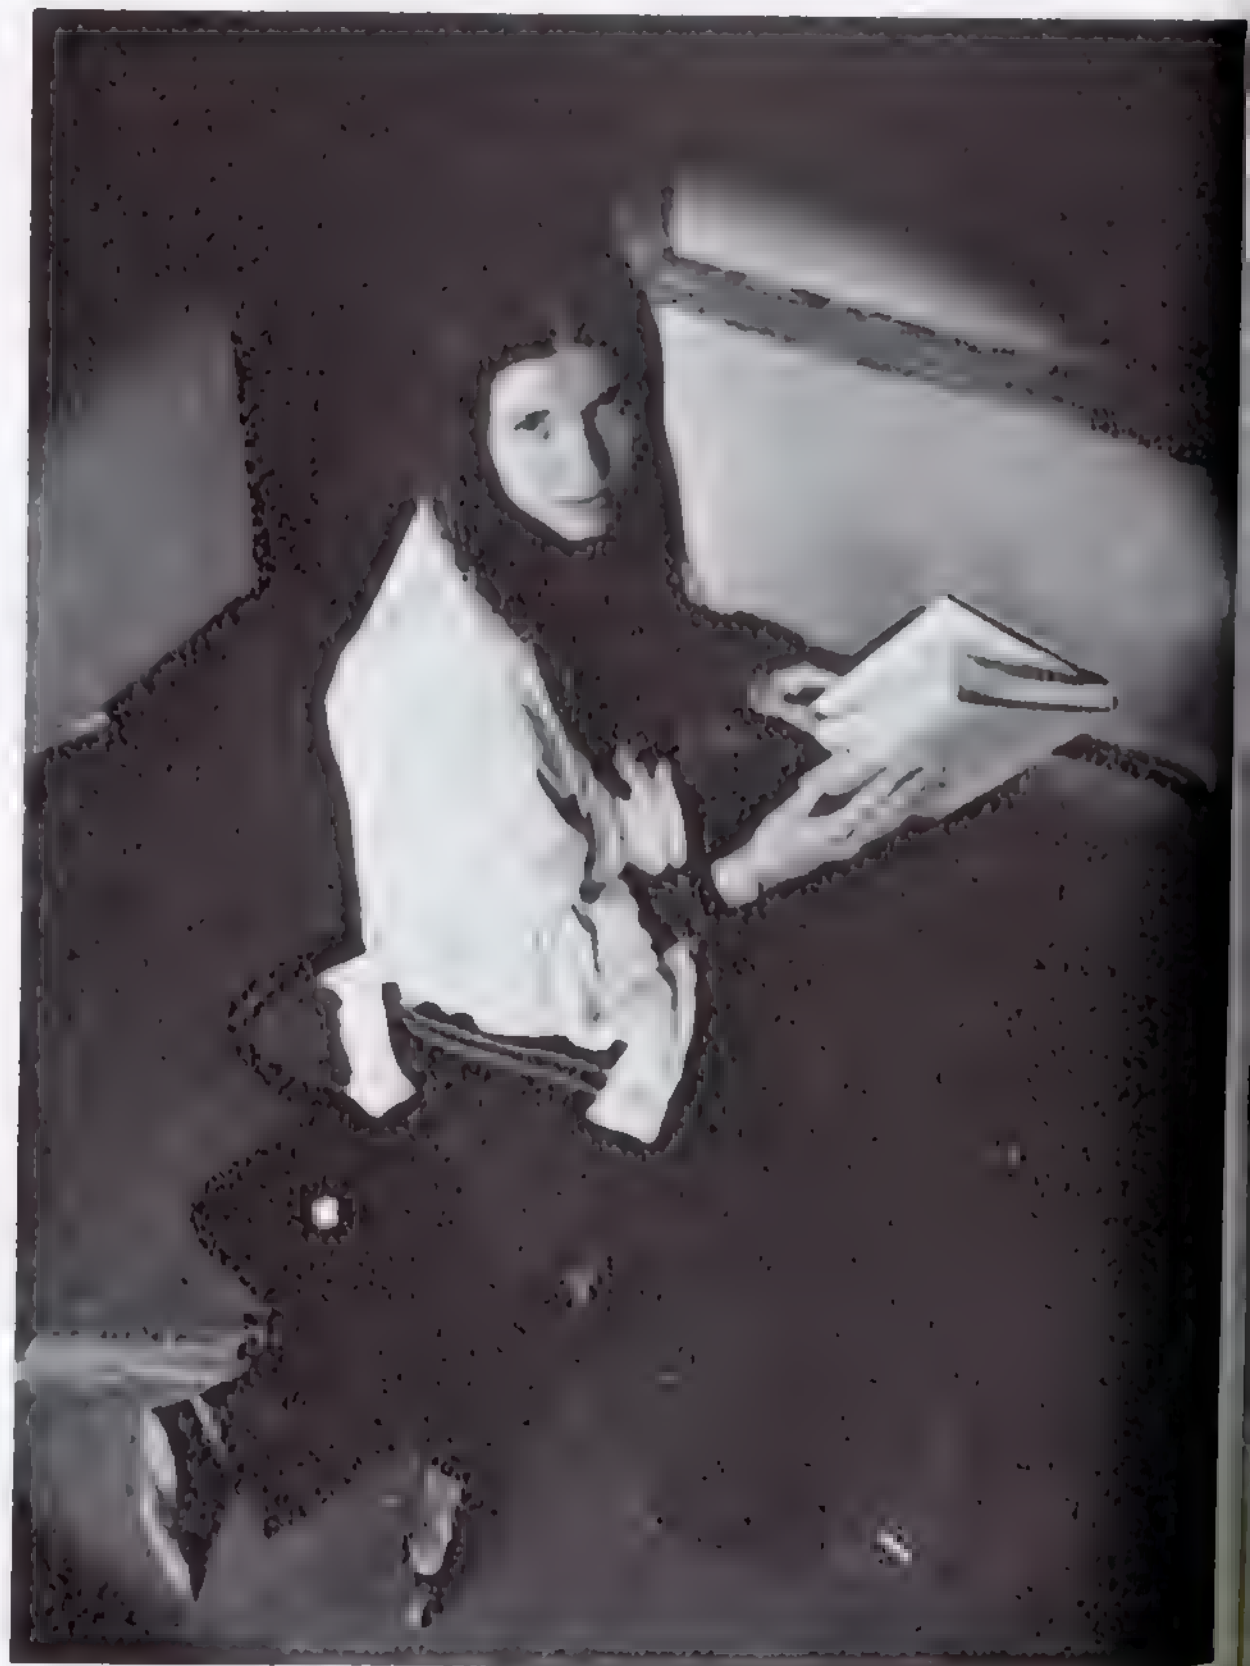

What would you do and how would it seem?

I'll tell you everything I've learned, and Love is all . . . he said

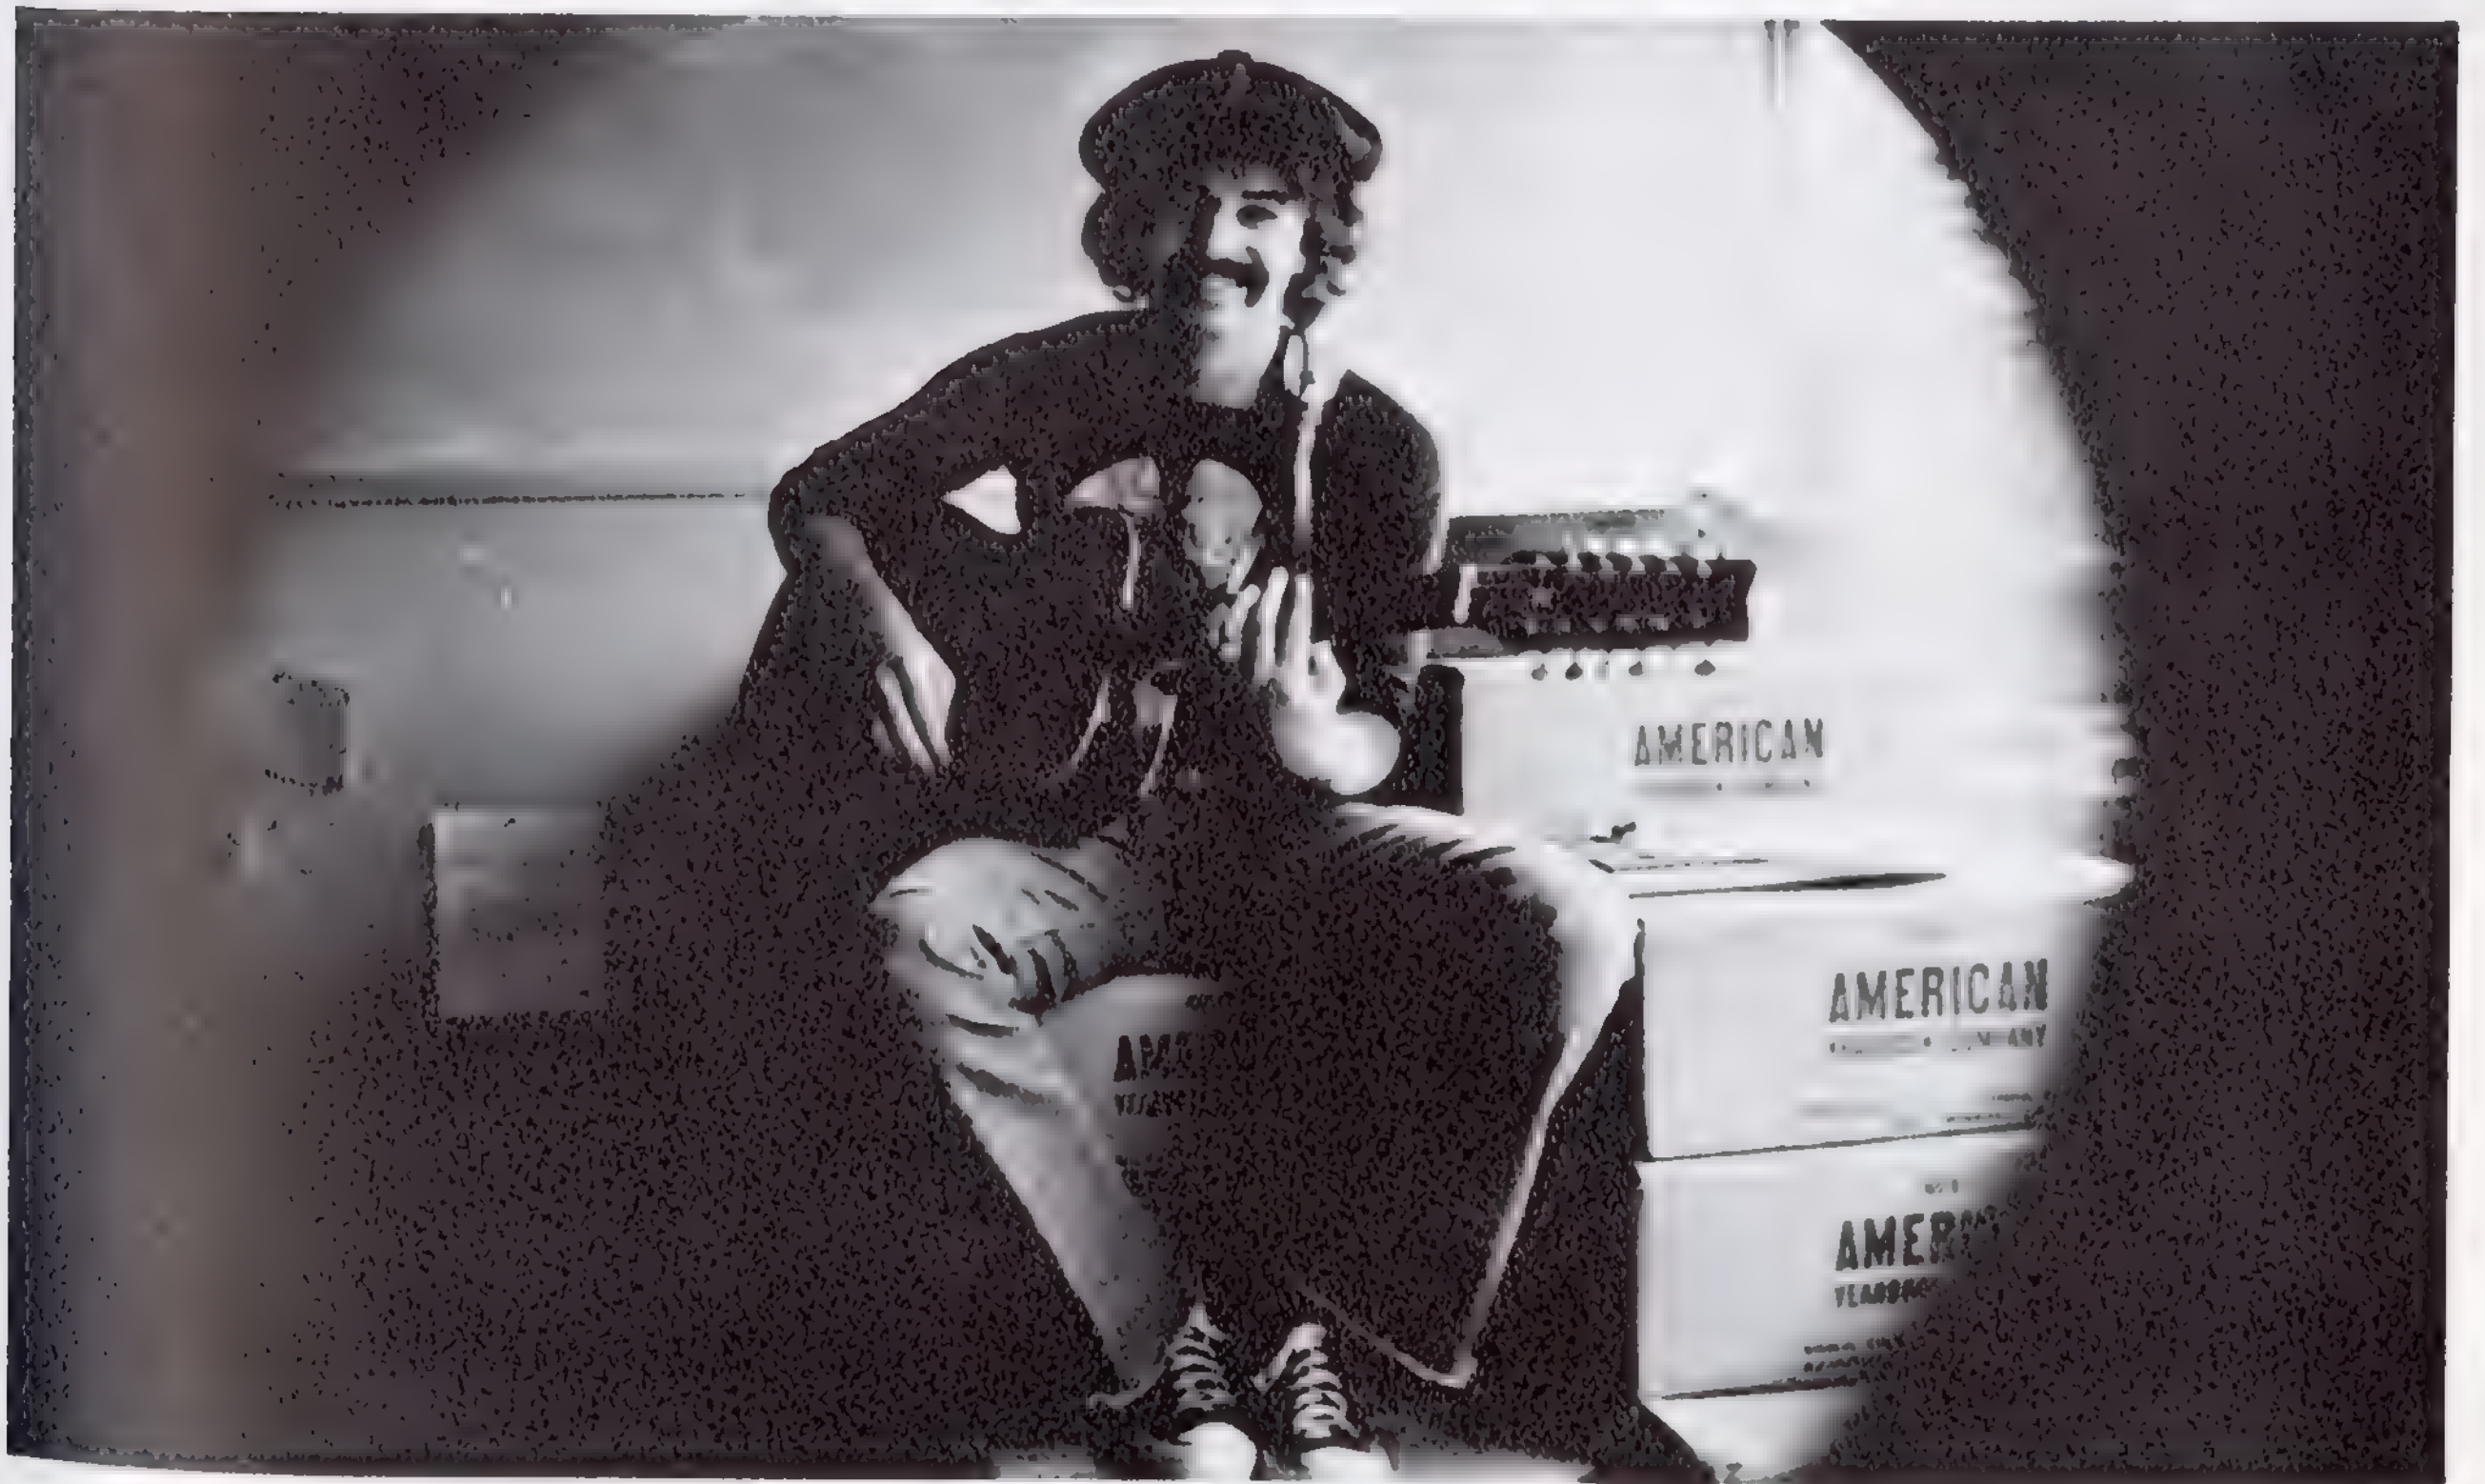

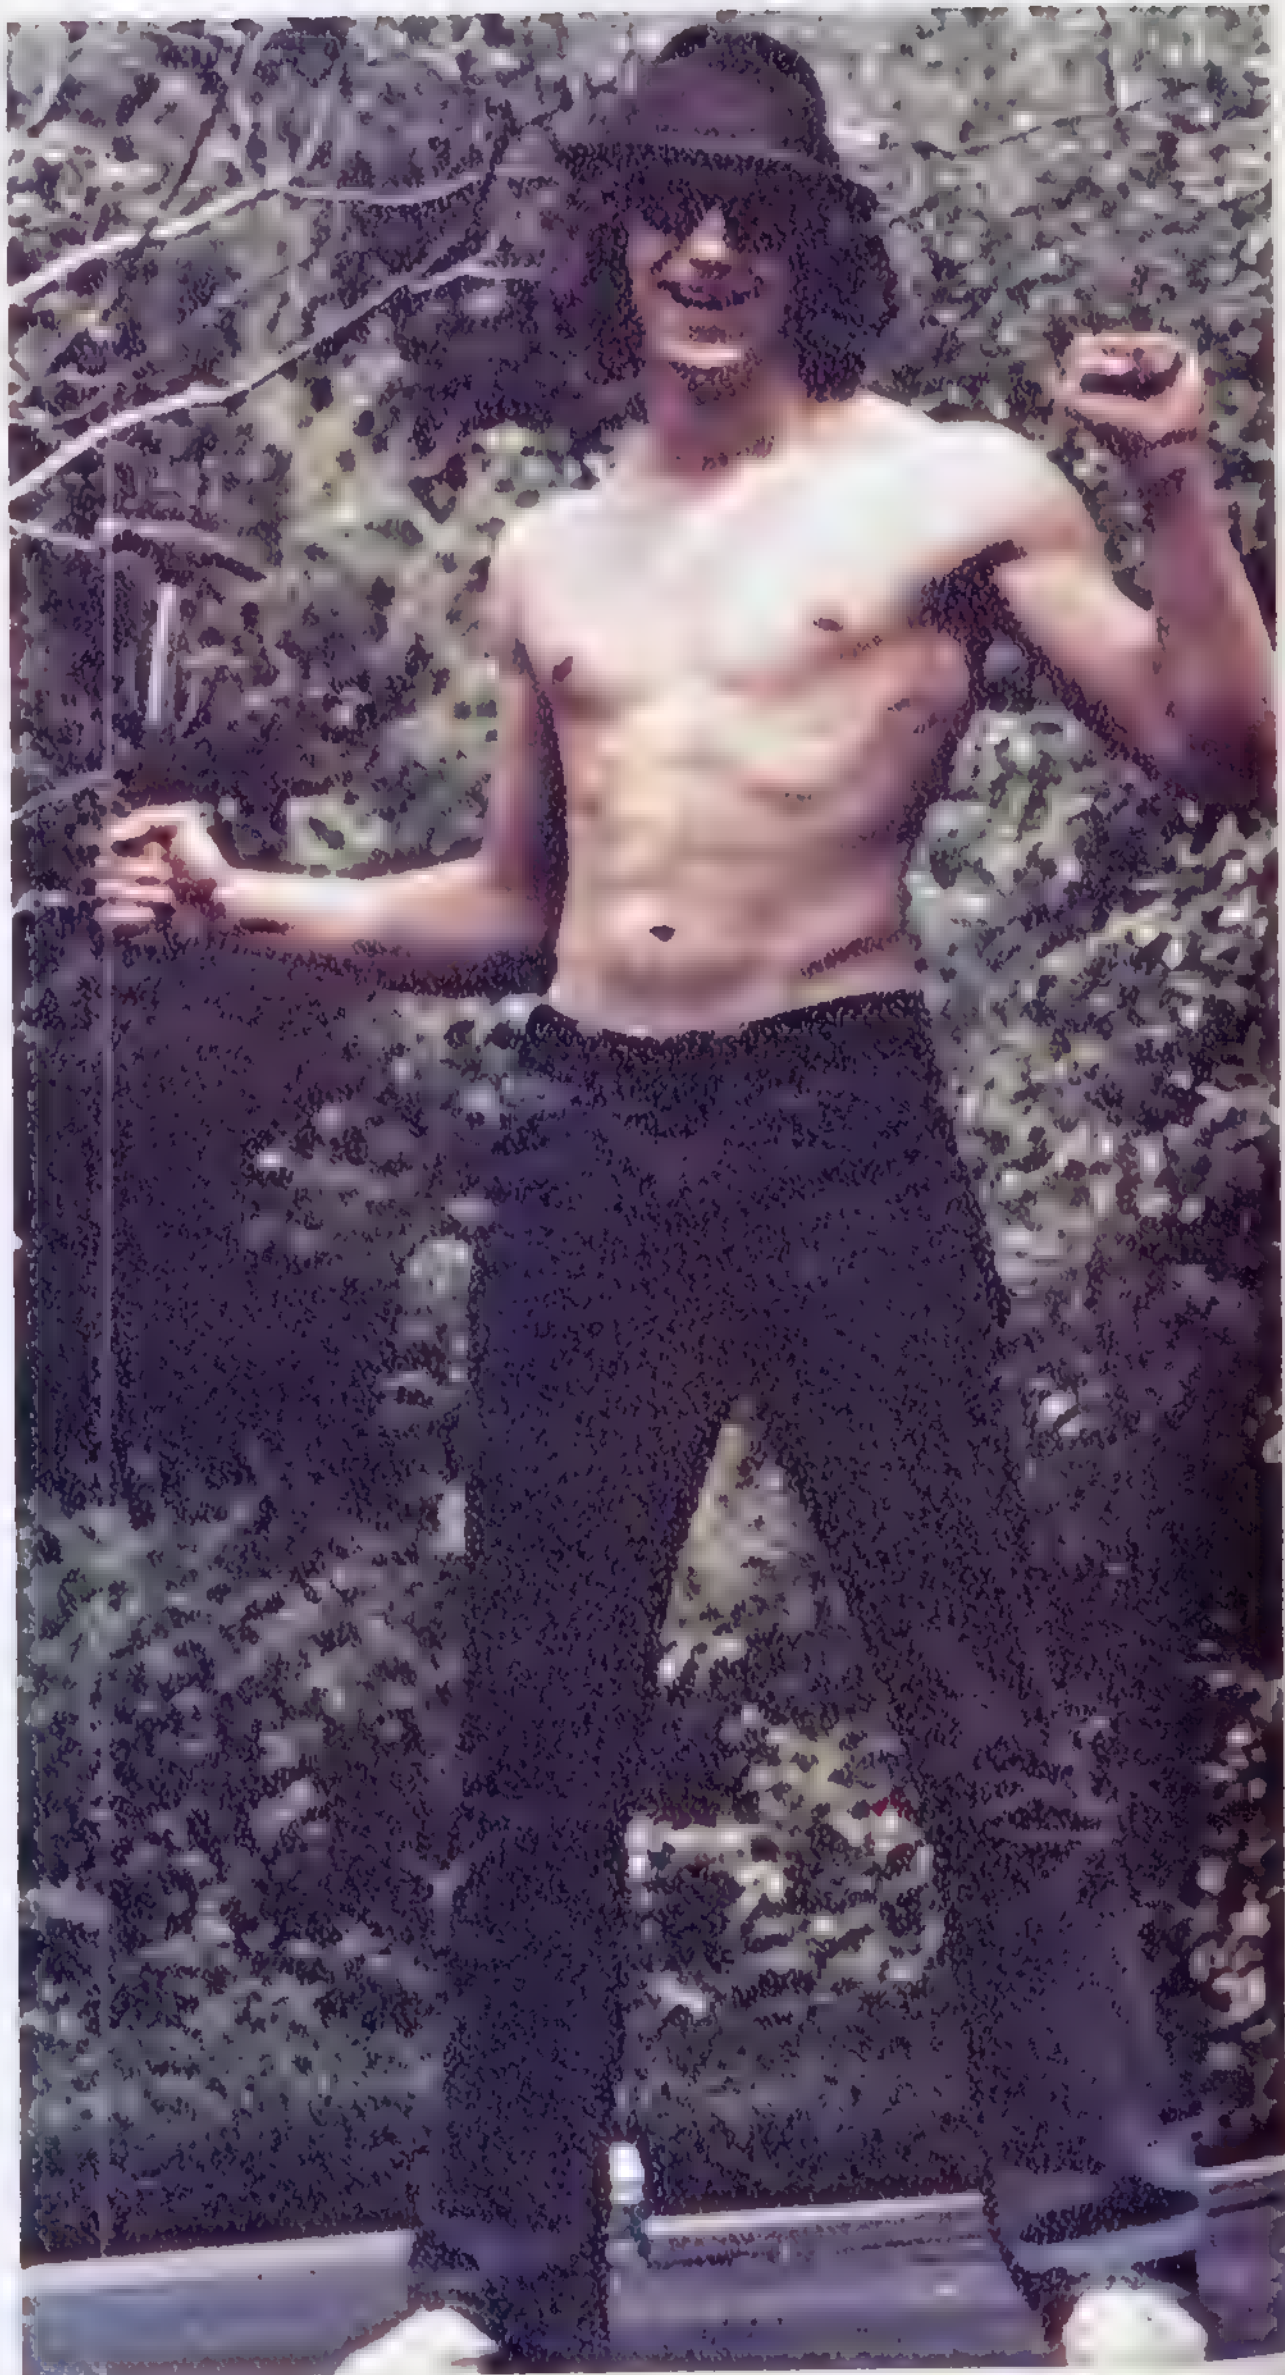

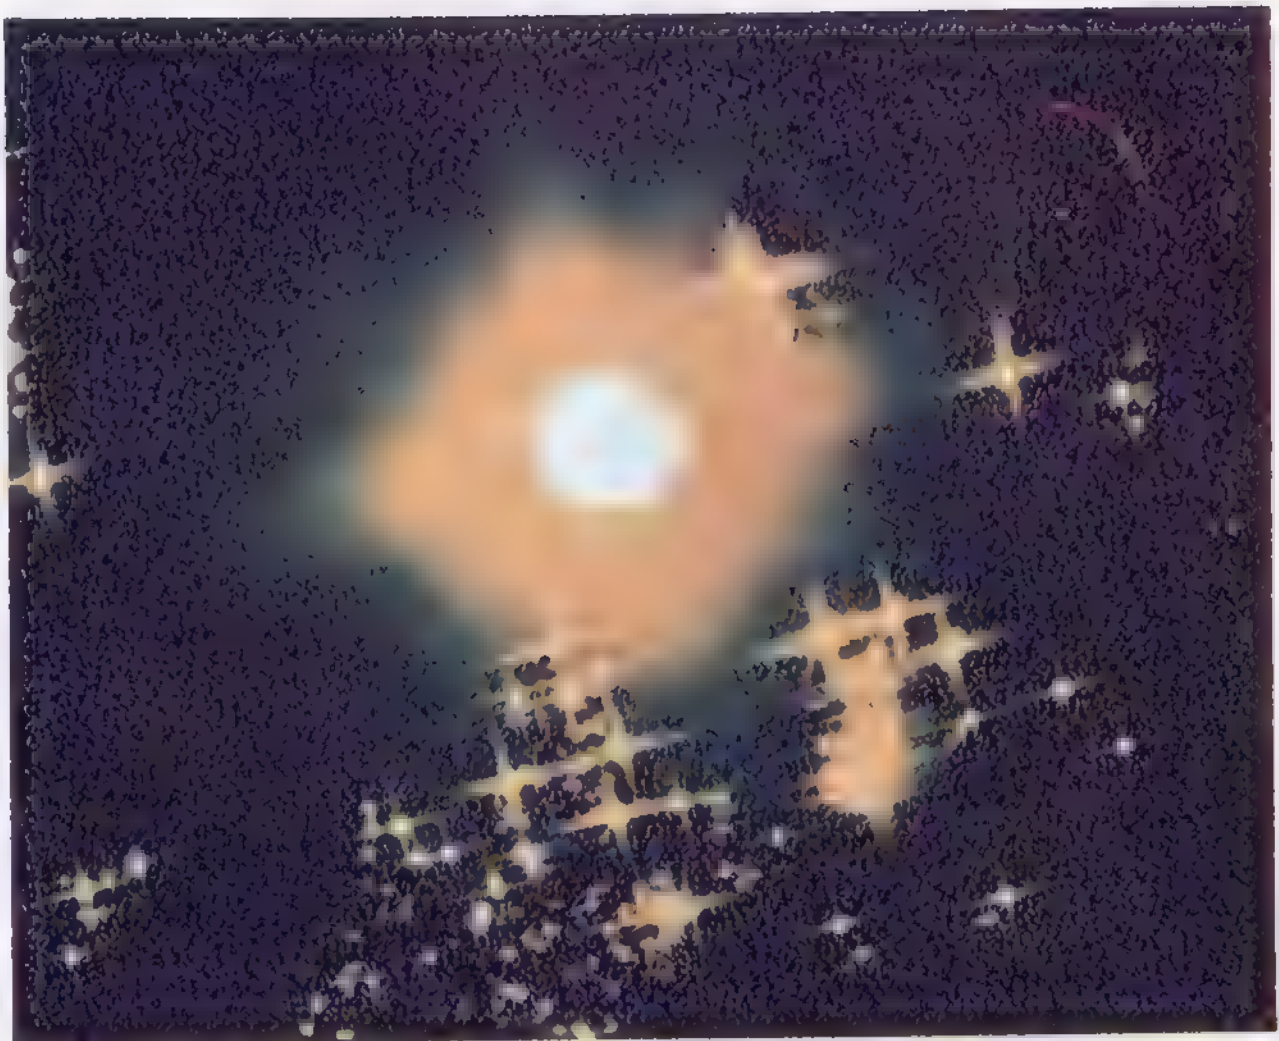

We'll take this planet, Shake it round

and turn it upside down.

Sitting on my own not by myself, everybody's here with me.

With all its sham, drudgery and broken dreams

it is still a beautiful world.

Let's go back to the times when the earth was green.

There were no high walls and the sea was clean.

ORIENTATION

SOCCER 1972

N. S. C. soccer has achieved a level of quality and consistency. Although hampered by key injuries late in the season, the Squire booters attained their second 9-5 season. A formidable soccer program at Newark State is in the making, thanks to the efforts of first year coach Dave Dean and stars Peter Alli, (All-American), James Caswell, Michael Knoth, and Frank Loughlin.
